# Public Disclosure of Arrangements under the ACO Participation Waiver

In accordance with the public disclosure requirements for the ACO Participation Waiver established by the Centers for Medicare & Medicaid Services and the Office of Inspector General in the Final Waivers in Connection with the Shared Saving Program Final Rule published October 29, 2015 and subsequent guidance issued February 12, 2015, this notice describes arrangements involving CCA ACO, LLC (the “ACO”) for which waiver protection is sought.

**Parties to the arrangements:** The ACO has entered into agreements with the following parties (hereafter referred to as the “Providers”):

- Ideal Home Health Services, LLC; and
- Odyssey HealthCare of Flint, LLC (d/b/a Gentiva), Odyssey HealthCare Operating B, LP (d/b/a Gentiva I), and SouthernCare, Inc. (d/b/a Gentiva II).

**Date of the arrangements:** February 1, 2024

**The type of item, service, good, or facility provided under the arrangements:** The Providers will make payments to the ACO that will be used to defray costs incurred by the ACO to acquire and/or develop care management software, data access and analytic tools, and other infrastructure investments and marketing expenses that support the delivery of quality care to the ACO’s assigned beneficiaries.

The ACO’s Board of Managers has duly authorized the arrangements and made a bona fide determination that the arrangements are reasonably related to the purposes of the Medicare Shared Savings Program because they will promote investment in infrastructure and redesigned care processes for high quality and efficient service delivery for ACO beneficiaries.
